MEMORANDUM FOR: Director of Materiel

SUBJECT: Alterations in Room 538

1. Due to a reconsideration by the Security Officer from OSI, the requirement for soundproofing the plywood wall in Room B has now been cancelled.

2. It is requested that a plywood map panel be installed over the entire length of the long wall in Room B and from floor to ceiling.

3. It is also requested that two banks of clip board holders be made up and installed behind the teletype machines in Room E.
